Attached is a paper for your review prior to our meeting scheduled for 10:30 on Thursday. In summary, I believe we need to determine what, if any, action(s) is necessary at this time. Possible strategy includes:

(a) Brief Administration and selected Senate and House committees on CIA concerns.

(b) Follow Congressional happenings and continue to formulate options as more substantive data on Congressional actions become known.

(c) Combination of (a) and (b) above.

The following optional retirement plans are possibilities for your consideration:

(a) Seek a retirement plan for all CIA employees using matrix concept.

(b) Maintain present level of coverage for CSRS and CIARDS systems.

(c) Include present CSRS covered Agency employees in new Government wide system being designed by Congress and seek special exception for CIARDS-type employees.

(d) Include all Agency employees in new Government-wide system.
